

Egypt s New Materials for Cable Trays and Pipe Gallerys

Overview

Since our inception, we have specialized in the design and fabrication of Cable Trays, Ladders, and Support Systems, offering an end-to-end solution for power and low-voltage cable routing in environments that demand safety, efficiency, and structural integrity. EGYTRAY, a proud member of El-Sewedy Industries Group, is a leading Egyptian manufacturer of precision-engineered Cable Management Systems serving industrial, commercial, and infrastructure sectors across the MENA region. Made of black iron, then electrostatic paint is applied according to demand. Tri-cable is used to feed the main boards and sub panels, as well as lighting circuits. Tri cable is widely used in factories, commercial buildings, water stations. Cable Trays are offered in a comprehensive range in Galvanization, Material and Types our factories. Cold Rolled Steel DC 01 (EN 10130 / DIN 1623, Part 2 / BS 1449:1 / ASTM A366 / ASTM A 1008 / JIS G 3141 / GB 699).

Article Content

Cable Trays – EIG

It is a low-priced material with properties that are suitable for most general engineering applications. Low carbon mild steel has good magnetic properties due to its high iron content, it is therefore defined as ...

King Steel – Forming and Laser Cutting Metals

King Steel Company is one of the most active companies in the areas of forming and laser cutting metals and production of cable trays in Egypt and the Middle East

egytrayelsewedy – egytrayelsewedy

EGYTRAY, a proud member of El-Sewedy Industries Group, is a leading Egyptian manufacturer of precision-engineered Cable Management Systems serving industrial, commercial, and infrastructure ...

PI | MANUFACTURING SOLUTIONS

Established in 2023 PI Manufacturing Solutions is an Egyptian company that specializes in engineering and manufacturing various cable management systems and accessories, such as cable trays, trunks, ...

Manufacturing and supplying cable trays

We use durable materials like galvanized steel and stainless steel in the production of cable trays, ensuring their resistance to corrosion and rust. Our innovative designs are suitable for various ...

Cable Management System

High quality electrical cable trays at unparalleled competitive prices, ideal solution for distribution of small amounts of telecommunication and electrical cables

Cable Trays

Made of black iron, then electrostatic paint is applied according to demand. Tri-cable is used to feed the main boards and sub panels, as well as lighting circuits. Tri cable is widely used in factories, ...

Sigma Tech

Sigma Tech is a leading company specializing in the manufacturing of high-quality electrical panels, cable tray, cable trunk, and basket tray. We provide innovative solutions for industrial and ...

About Rovana Trade

Learn about Rovana Trade, Egypt's premier manufacturer of cable trays and ladders, offering high-quality Hot Dip Galvanized and Electrostatic Painted solutions for industrial and electrical projects.
