

Following the Swedish breakdown

Overview

While the first half of the 20th century was marked by political challenges, high inflation, unemployment, and a pressing need for economic recovery, it also witnessed the emergence of a new economic framework: the Swedish model. The welfare state has been the vision of the Swedish Social Democratic Party (SDP), which was founded in 1889. The SDP aimed at building a system that would provide. Sweden has long been regarded as epitomizing the modern welfare state. ¹ That in Sweden—naturally if somewhat imprecisely referred to as the “Swedish model”—is marked by the use of big, centralized institutions. [Note: This is a corrected version of the footnoted article that was earlier posted on the web.] Once one of Europe's poorest countries, in the post World War II decades Sweden evolved into a slum-free, affluent, egalitarian full employment welfare state, with a strong commitment to work for all. What happened to Russia after the Soviet Union dissolved?

Emeritus Professor of History, Göteborg University, Sweden. Author of *Carl Johan och Norge 1810-1814* and others. As a result, Sweden was in a favorable position to contribute to the rebuilding of war-torn Europe.

Article Content

The Rise and Fall of the Swedish Model

The origin of the Swedish model must be sought and can be found in the 1930s. That is the time when, in many countries, the possibilities of controlling the business
