

Manufacturer of tapered optical splitters

Overview

284 Beam Splitter manufacturers listed. Narrow down on the list of companies based on their location and capabilities. Bernhard Halle. Manufacturer of standard and custom laser optics, prisms, accessories, components and supplies. Yttrium aluminum garnet (YAG) and carbon dioxide (CO₂) laser components include windows or cover slides, lenses, mirrors, output couplers, beam splitters, flash lamps, rods, reflectors, fiber optic and. PPC Broadband offers a range of optical splitters designed for various applications, including indoor and outdoor use. Their expertise in fiber solutions for telecommunications ensures high-quality performance in connectivity technology. T&S Communications specializes in optical network. Fiber Type Single Mode, Multi Mode Step & Graded Index; Input Core Diameter 100 to 600 μm ; Output Core Diameter 50 to 200 μm ; Numerical Aperture 0.26; Wavelength 180 to 2400 nm; Sheathing PVC, Stainless Steel Fiberguide's AFT/SFT series of optical tapers are used for mode mixing, lowering. Cables Plus USA can supply custom fiber optic splitters to meet your specific requirements. Available in PLC splitters, also called Planar Lightwave Circuit.

Article Content

Tapered and Lensed Fibers

Fiberguide designs and manufactures shaped glass to manipulate the light inside fibers.

OSP Splitters | Amphenol Network Solutions

Amphenol Network Solutions offers a complete line of discrete Optical Splitter Components for a wide range of uses in various optical network designs. The product family includes splitters from 2 to 64 ...

Optical Splitter

Customizable fiber optic splitters for telecom operators, internet providers, system integrators, and equipment manufacturers worldwide. Our precision manufacturing process ensures consistent quality ...

Optical Splitters Manufacturers and Suppliers in the USA ...

Manufacturer of standard and custom laser optics, prisms, accessories, components and supplies. Yttrium aluminum garnet (YAG) and carbon dioxide (CO2) laser components include windows or ...

Optical Splitters_Subrack-Type Optical Splitters_Fused Biconical Taper ...

Haian Guangyi Communication specializes in manufacturing a series of optical splitter products, including subrack-type optical splitters, fused biconical taper (FBT) optical splitters, plug-in optical ...

Top 100 Optical Splitter Manufacturers in 2026 | ensun

T& S Communications specializes in optical network applications, offering a range of fiber optic connectivity products, including PLC splitters and FBT couplers. Their high-quality optical splitters ...

Optical Splitters

Our Single Mode, Multimode and Planar Waveguide Splitters are designed and manufactured to provide low loss and excellent uniformity over wide temperature ranges.

Shop Beam Splitters & Passive Optical Splitters

As well as FBT splitters Fused Biconical Taper splitters, which are two or more pieces of optical fibers that are fused/tapered together fiber devices. Splitters are method of splitting a single fiber optic ...

Beam Splitter Manufacturers

A Beam Splitter is an optical device that splits a beam of light into two or more beams. The leading manufacturers of Beam Splitters are listed below. Narrow down on the list of companies based on ...
