

Monaco electrical distribution box installation team

Overview

Our fully qualified technicians are proficient in UK and UAE circuitry standards, guaranteeing secure, compliant installations and repairs that eliminate risks of fire or electrical hazards. Professional electrical contractors serving Southwest Florida since 2001. Based in Fort Myers, Monaco Electric serves the electrical needs of home and business owners across Lee. SADI, Société Anonyme de Diffusion Industrielle, is a Monegasque company founded in 1956, specializing in electrical installations for all types of premises. With expertise in electricity, high and low voltage, and audiovisual installations, SADI also offers the distribution of industrial articles. Whether you need a simple socket replacement, a full lighting installation, or complex electrical diagnostics, only a rigorously trained and certified technician should handle your home or business's electrical systems. Categories: Repair of household. Doors, wooden, semi-solid.
