

Nordic Technical Support Optical Receiver LPO

Overview

For technical support, contact us at support@nordiccomputer. Our skilled team is here to assist with any issue. Follow us! Copyright © 2008 - 2026 Nordic Semiconductor ASA. Navigator Nordic is an expert distributor of data center solutions specialized in the Nordic market. We offer a comprehensive portfolio of leading products and components, including our own Navigator brand - built around a unique concept. The idea is simple: instead of a DSP (digital signal processor) inside the module - replacing it with transimpedance amplifier (TIA) and a driver chip with high linearity and EQ capability - LPO shifts signal processing into. We deliver lab-tested, vendor-compatible transceivers with European support, global delivery, and no OEM markup. Swedish Telecom Opto is built for scale — not single-click sales. We work with mid to large organizations, supporting. Need technical support?

Our highly skilled and experienced technical team is at your service to tackle any technical difficulties you may encounter.
