

Norwegian Cable Tray Installation Company

Overview

We supply cable management systems from Niedax Ebo Systems. Check out their website for more information about all the products we can deliver. We deliver custom-made cable trays to meet the needs of your project, ensuring easy installation and reliable support for your cables. Oglænd System was founded in 1977 in Sandnes, Norway. From the very beginning our goal has been to become the leading supplier of multidiscipline support systems, cable trays and cable ladders world-wide. Discover the benefits of each system to make an informed decision tailored to your specific application. Nordic Wire Tray becomes Nordic Wire Tray. New name, new look, same Nordic quality We continue to drive innovation in cable management solutions, with complete cable. The Wibe Group Cable Ladders are robust and functional, enabling the same ladder to be used both horizontally and vertically. Fast installation, high corrosion resistance and documented quality.
