

Zimbabwe purchases EDFALPO

Overview

Zimbabwe will continue buying gold and other precious metals in 2026 to build its foreign exchange reserves and support the stability of its national currency, the ZiG, the country's central bank governor said on Sunday. Tinashe Sambiri- Deputy Finance Minister Kudakwashe Mhangagwa has acknowledged that the Zimbabwe Gold (ZiG) currency is still struggling to gain public confidence, with government continuing to allow payments for critical services such as fuel and passports in United States dollars. Central bank governor John Mushayavanhu said in an opinion piece published in. The Republic of Zimbabwe imported US\$9. 6 billion worth of products from international suppliers in 2024. That dollar total reflects a 69. In an opinion article published in the state-run. Former Mines Minister Obert Mpofu, who is the ZANU PF secretary for administration, was allocated part of the hotly disputed Kerlshmar Farm in Nyamandlovu, Matabeleland North Province.
